

FOCUS TRADE

ALL CATERPILLAR EQUIPMENT & GENSET
SPECIALIST COMPANY FOR CATERPILLAR SERVICES

Who We Are

ABOUT FOCUS TRADE

We start our private business known as FOCUS TRADE company starting from 1/3/2018.

FOCUS is the leading timing service, equipment & spare parts supplier for Caterpillar equipment and GenSet. With our commitment FOCUS is dedicated to provide its customer with the highest quality of spare parts and services, we represent a unique approach to the Caterpillar business by combining a variety of services within organization. We are guided by the main principle of customer satisfaction.

FOCUS retains wide range of CAT genuine and alternative spare parts and in its inventory in order to provide the spare parts with the agility that the customers permanently requires in this sector.

One of the prerequisites for success in any work is to have an experience in it,

FOCUS TRADE. Now completed 3 years of success in marketing heavy equipment spare parts in the RED SEA, This success over the years of the company's work was based on the experience of the work team that exceeds 14 years in the field of technical support for users of the heavy equipment specially CATERPILLAR®.

What We Do

OUR AMAZING SERVICES

SPARE PARTS

We offer a wide range of original and only quality aftermarket parts, such as CATERPILLAR, CUMMINS, DOSSAN, PERKINS In addition to all the major original brands, FOCUS offers a wide range of aftermarket parts at the most competitive pricing. We only work with certified aftermarket companies that stand behind their products, thus we stand by their product and offer warranty on all new parts such as IPD, FP, CTP, ITR, CEP.

SERVICES

Focus has a trained and qualified team working for overhauling of all types for motors CATERPILLAR, PERKINS, CUMMINS and DOSSAN, and we also have sufficient experience to solve all urgent problems.

USED GENSET

FOCUS provides a wide range of used generators with capacity from 100 KVA to 2000KVA. In order to ensure the satisfaction of its customers, it provides a guarantee period for all used and imported generators from abroad.

RENTAL

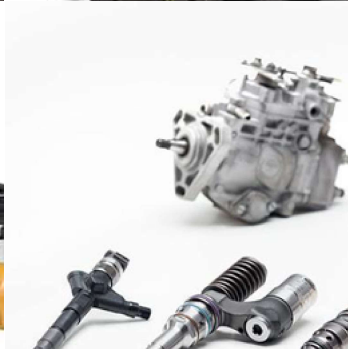

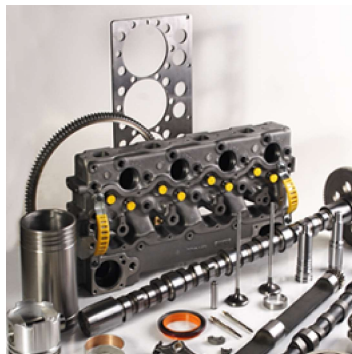

We offer generator rentals to our customers at competitive prices with all services they need , people for installation, required spare parts, and a maintenance team prepared around the clock.

The company also offers installation programs and maintenance for power stations with kWh pricing.
